

Famiglia Family	Lavabo a piano 2 fori Built-in 2 holes wash basin mixer
Codice Articolo Article Code	20 32
Descrizione Description	Miscelatore idroprogressivo 2 fori con bocca erogazione girevole Two-hole hydroprogressive mixer with swivelling spout
Cartuccia Cartridge	CR034
Materiale Material	Acciaio inossidabile AISI316L AISI316L Stainless steel
Imballo Packaging	Scatola avana, spugna sagomata Brown box packaging, shaped sponge
Peso con Imballo Weight with Packaging	2,910kg
Dimensione Imballo Packaging Dimensions	l456Xd389Xh173

Disegno Tecnico
Technical Drawing

20 32

Technical drawing of the 20 32 mixer faucet. The drawing includes front and side views with detailed dimensions. Key dimensions include: spout diameter $\varnothing 22$, spout length 253, spout width 220, spout height 182, base diameter $\varnothing 63$, base height 67, base width 38, base connection $G3/4$, and base mounting holes $\varnothing 28$ and $\varnothing 34$. The side view shows a total height of 650 and a maximum width of 40. The base is labeled with $G3/8$ and $G3/4$ connections.

Immagine Prodotto
Product Image

3D rendering of the 20 32 mixer faucet. The faucet is shown in a side view, highlighting its curved spout and cylindrical body. The base is shown separately, featuring a circular cartridge with a cross-shaped handle.

Portata
Flow rate

Graph showing the relationship between flow rate (Portata / Flow rate) and pressure (Pressione in BAR / BAR pressure) for the 20 32 mixer faucet. The x-axis represents flow rate in lt/min (0 to 7.2), and the y-axis represents pressure in BAR (0 to 5.2). The curve shows that pressure increases sharply as flow rate increases, starting from approximately 0.4 BAR at 3.6 lt/min and reaching 5.2 BAR at 6.0 lt/min .
