Chiudere i rubinetti di sistema dell'impianto prima dell'installazione. Se possibile, installare dei rubinetti filtro all'uscita delle acque per prevenire ostruzioni.

Shut down the water system before the installation. If possible, install filter taps at the water outlet to prevent obstructions.

Cierre los grifos del sistema antes de la instalación. Si es posible, instale grifos con filtro en la salida de agua para evitar obstrucciones.

Fermer les robinets du système avant l'installation. Si possible, installer des robinets filtrants à la sortie de l'eau pour éviter le colmatage.

Schließen Sie die Wasserhähne des Systems vor der Installation. Installieren Sie, wenn möglich, Filterhähne am Wasserausgang, um Verstopfungen zu vermeiden.
